Adult Learning Opportunities Available at the WASC

Want to improve your reading, writing, math, and problem-solving skills? Do you want to improve your skills so you can be promoted at work? Would you like to obtain training so that you can be successful in another career or attend college? Do you want to obtain your G.E.D.? **FREE classes for adults are now being offered at a variety of Lancaster locations, including the West After School Center on Tuesdays and Thursdays, 9:00 - 11:30 a.m.**

Cedar CLC—Events

March 6—Stdunet Scrapbook Project Begins

March 18—Art & Clay (open to Cedar Heights students)

March 19—Grandparents Tea

Second Step

Cedar CLC is holding Second Step with students once a week during the after school. Second Step is a conflict resolution and peer building program. Students learn how to treat others and how not to treat others and students learn about conflicts and the options they have when they face conflicts. This program is also used during the course of school hours on various times with the classroom teachers.

Ohio Success Stories with ALEKS

Beachwood Middle School, Beachwood City School District

This is my third year using ALEKS, and I am totally sold on it. It is quite amazing how accurate the results are with regard to student testing and progress. I have also found that students who complete a minimum of three hours per week in ALEKS are succeeding in class. With ALEKS, I am able to design reviews and quizzes to help students at all levels.

Barbara Urbanski, Teacher

Chardon High School, Chardon Local Schools

We have had a very positive experience with ALEKS so far.

Beverly Mysyk, Math Teacher

We are excited to have a program like ALEKS because it brings an opportunity for the students to continue their quest on improving their Math skills, no matter what level they may find themselves in. Here at Cedar CLC students grades 3-5 have the opportunity on a daily basis to work hard and prove to themselves that they are more than capable.

Early Childhood Conference

Presented by the Fairfield County Family, Adult & Children First Council

Friday, March 27, 2009

Ohio University-Lancaster

For parents, teachers, after-school personnel, administrators, providers, social workers, nurses, etc.

Our mission is to provide opportunities that enrich the educational, social, and cultural experiences of students and families in our community.
