Happy Thanksgiving!

Hallmarks of the Thanksgiving and Christmas season are charity and volunteering. As we are entering these seasons, it is important to remember that both of these aspects do not have to require large financial contributions. Encouraging your child to participate in the **canned green bean** collection here at Cedar Heights is a good way to begin a conversation about giving and volunteering. Simply giving of your time and abilities can make a serious contribution to a local organization.

The CCLC Staff would like to wish all of our students and their families a Happy Thanksgiving!
