

OCTOBER 2008

the

Parent Newsletter

Welcome Back!

The Cedar Community Learning Center Staff would like to welcome back our new and returning students and their families to our second year of Before and After School Programming! We're looking forward to another outstanding school year together!

Voter Registration

In order to participate in this year's upcoming Presidential election, you must be a registered voter. The State of Ohio has a 30-day voter registration requirement—this means that you must register at least 30 days prior to Election Day. The registration deadline for participating in the November election is October 6th. Voter Registration Forms are located on the parent's resource table in the lobby where students are signed out.

Community Services

This is just a reminder to all of our families that a key portion of our program is providing connections with community services. If your family has a need, please feel free to contact us. We will do our best to connect our families with available community resources.

Holiday Assistance

It seems as though everywhere we turn, stores are reminding us that the holidays are just around the corner. Fairfield County Information and Referral has Thanksgiving and Christmas Assistance available for families who qualify. Applications will be online beginning October 15th on the Information & Referral Website and click on Holiday:
